CAHEC - China Animal
Health and Epidemiology
Center (China)

SAFEED-PAP (FOOD-CT-2006-036221)

The European Project, SAFEED-PAP (FOOD-CT-2006-036221), on the "Detection of presence of species-specific processed animal proteins in animal feed", is funded under the 6th EC FP, DG RTD with a full duration of 36 months (2006-2009).

Keywords: Feed safety, animal proteins, species-specific detection

Scientific officer:

Mr. Hallgeir HERIKSTAD
Research Directorate-General
Directorate E – Biotechnologies, Agriculture, Food
Unit E4 – Agriculture, Forest, Fisheries, Aquaculture;
Square de Meeûs, 8 – office 08/16
B-1049 Brussels, Belgium

Project coordinator:

Dr Vincent Baeten

FEED SAFETY
International Conference 2007
Methods and Challenges

27th and 28th November 2007

Centre de Congrès du Beffroi
Namur - Belgium

<http://safeedpap.feedsafety.org/fs2007/>

Context

This International conference organized within the context of the FEED SAFETY platform and the SAFEED-PAP project aims to gather institutes and stakeholders working to the use, development and validation of analytical methods for the feed sectors.

Venue

Namur is easily accessible by air, train or car (only 60 kilometres from Brussels). The congress centre is located in the centre of Namur. Hotels are located in the neighbourhood of the conference centre.

Closest airports:

- Brussels airport: 60 km far from Namur with a direct connection by regular trains.
- Brussels South (Charleroi): about 35 km far from Namur with a direct connection by regular trains.

Dates of the meeting: 27-28 November 2007

Accommodation

At the webpage of the conference you will find hotels in the neighbourhood of the conference. No reservation is done by the organisers of the meeting.

Registration

The registration fee of 100 Euro includes attendance at the 2 day conference, all the scientific sessions, the final program, the book of abstracts, coffee breaks and lunches. This registration fee is not applied to students, members of the SAFEED-PAP consortium, Advisory Board, EC officers and speakers.

Registration via website:

<http://safeedpap.feedsafety.org/fs2007/>

Deadline for registration: 15 October 2007.

Call for poster

Each participant is invited to submit a poster(s) with an abstract, to print the poster in format 110 x 80 cm and to present it during the posters sessions. Deadline for submission of abstracts: 30 September 2007.

Agenda

- 8.30 Registration
- 8.50 Welcome and Introduction

Day 1 (AM): Session 1 : "Feed safety : context and specificity"

Chairman: Inge Paradise, IAG, LUFA, DE

- 9.00 Feed chain : specificity and challenges
Steve Woodgate, EFPRA, EC
- 9.30 CRLs & NRLs network: an original European initiative
Frans Verstraete, DG-Sanco, EC
- 10.00 The feedsafety Platform initiative
Pierre Dardenne, CRA-W, BE
- 10.30 *Coffee break*
- 11.00 CEN TC327 - Animal feeding stuffs - Methods of sampling and analysis
Jacob de Jong, RIKILT, NL
- 11.30 Opportunities offered by the 7th FP
Stéphane Waha & Laurence Dehon, NCP, BE
- 12.00 *Lunch and Poster session*
- 13.30

Day 1 (PM): Session 2 "Animal by-products: ingredients and undesirable substances"

Chairman: Dragan Moncilovic, FDA, USA

- 13.30 Animal by-products : Legislative aspects (TSE roadmap)
Koen Van Dyck, DG-Sanco, EC
- 14.00 CRL for animal proteins in feedingstuffs: performance of the official control labs for the detection and the quantification of animal meal in feedingstuffs (+ SAFEED-PAP initiative)
Vincent Baeten, CRL-AP, BE
- 14.30 Perspectives of immunological methods
Scott Reaney, VLA, UK
- 15.00 *Coffee break*
- 15.30 A marking system for animal by-products
Ana Boix, JRC-IRMM, BE
- 16.00 Determination of MBM content in compound fertilizers and composts by NIRS technique
Han Luja, CAU, CN
- 16.30 Detection of Central Nervous System in ABP: conclusion of SRM-test project
Paul Reece, CSL, UK
- 17.00 Image analysis and microscopy : an original combination
Luciano Pinotti, UMIL, IT.
- 17.30 *Drink and Poster session*

Day 2 (AM): Session 3 "Plant products : ingredients and undesirable substances"

Chairman: Jacob de Jong, RIKILT, NL

- 9.00 CRL-Mycotoxins : Objectives and activities
Joerg Stroka, JRC-IRMM, BE
- 9.30 Undesirable substances of plant origin: status in Europe and needs
Leo van Raamsdonk, RIKILT, NL
- 10.00 Open formulation: perspective of classical microscopy?
Jan Sten Jorgensen, DPD, DK
- 10.30 *Coffee break*
- 11:00 Control of feed formulation by NIRS
Ana Garrido, UCO, SP
- 11.30 GM detection and quantification in feed
Gilbert Berben, CRA-W, BE
- 12.00 *Lunch and Poster session*
- 13.30

Day 2 (PM): Session 4 "Other additives and undesirable substances"

Chairman: Steve Woodgate, EFPRA, EC

- 13.30 CRL additive
Christoph von Holst, JRC-IRMM, BE
- 14:00 The outputs of the SIMBAG-FEED project - Additive legislative aspects and needs
Jacob de Jong, RIKILT, NL
- 14:30 The problematic of carry-over
Speaker to be confirmed
- 15.00 *Coffee break*
- 15:30 Compliance of feed limits, do not means compliance of food limits
Leo van Raamsdonk, RIKILT, NL
- 16:00 Dioxins : lessons from the Belgian crisis
Luc Pussemier, CERVA, BE
- 16:30 *Conclusion of the conference*
- 17:00 *End of the conference*
